The following tax information represents a consolidated record of your applicable Fundrise investments for tax year 2025.

The information contained herein pertains only to investments in the eREITs, 40 Act Funds and Credit Funds. If you hold shares in the Fundrise eFund or other direct equity investments, a Schedule K-1 or Form K-1 will be distributed upon completion, which is anticipated to occur near the end of March 2026.

In accordance with IRS regulations, we will not issue a Form 1099-DIV if your aggregate distributions from a fund (eREIT, 40 Act Fund, or Credit Fund) in the given tax year were less than \$10. This means that you may not receive tax documents for all of the funds in which you hold shares.

If you completed a share transfer in tax year 2025, the cost basis related to your redeemed shares has not been included on your Form(s) 1099-B. Fundrise is only able to track basis pertaining to originally issued shares.

Fundrise strives to provide your Form 1099 tax information as early and as accurately as possible. If Fundrise receives updated information for investments that you held during tax year 2025, we are required by the IRS to send you a CORRECTED Form 1099 with changes clearly highlighted. Please plan your tax preparation accordingly.

Enclosed: Important Official IRS Form(s) 1099

The report in this package contains your income tax return documents and year-end summary. Please retain this package for tax preparation purposes.

Although the Fundrise team seeks to provide timely and accurate information pertaining to the status of your investments, we cannot provide tax advice. While we do provide certain general tax information about the forms you may be receiving in our [Help Center](#), please consult with a qualified tax advisor, CPA, or financial planner for specific questions on your tax forms.
